

You want to Transform your HR but do not know where to start?

The way we do business is fast evolving and along with that the way we manage our workforce is changing as well. Today's business is also more digital, more global, mobile, automation-savvy, and social media-proficient. To keep pace with business expectations, needs, and demands, HR needs to transform itself.

SAP® Qualified Partner-Packaged Solution

Renew HR is a domain focused HR Consulting firm providing consulting services in the areas of HR Advisory, SuccessFactors consulting, Integration Services, SuccessFactors Support Services and concept-driven HR Analytics to Small and Medium customers.

Our Design Thinking based HR Transformation Methodology encompasses Strategy, Implementation, Change Management and Support to successfully take you through your HR Transformation journey and help you achieve your organizational objectives.
