

- Create centralized capabilities and gain efficiency in price management
- Combine analytics and optimization to improve decision making
- Leverage cloud native tools to achieve rapid scale
- Realize rapid gains no matter where in the journey you are

Evolve Pricing Strategy, Unlock Growth

FAST

FLEXIBLE

FRIENDLY

/ Pricefx implementations happen in weeks, not months, and payback quickly - often in less than 12 months.

/ We're designed to meet your needs with our 100% configurable UI, dashboards, and data.

/ Friendly terms, teams, & tools - easy to buy, learn, and use. No fuss contracts and cancellations, supported by team's who love working with you.

Some of Our Customers

Thomas V.
Head of Global Sales
EagleBurgmann

Pricefx is not an option, but a necessity. We implemented in 40 different countries in an 8-month time frame. The easy-to-use interface and speed of quoting allowed John Crane to gain 100% adoption with all 700 reps across the globe."
