

Credit Hound

The smarter way to do Credit Control

Credit Hound is powerful credit control software to help you to chase payments more effectively, instantly showing you who owes you money and who you need to chase. It helps to manage your cash flow, reduce bad debt and get paid faster, making your profit a priority. We're here to help streamline your current process.

Key Benefits

- ✓ Improved Time Management
- ✓ Pro-active credit control
- ✓ More available cash for your business
- ✓ Comprehensive reporting to analyse your efforts and highlight debtor issues
- ✓ A quick return on investment

"We have been using the software for over three months and have already started seeing the benefits. Each of our credit controllers save over 5 hours every week in prioritising tasks and scheduling chase reminders."
