

Enhance your hiring experience and efficiency with LiveHire + SAP SuccessFactors.

Choose a better way to hire.

Imagine a world where your organisation could:

- ✓ Spend less on job advertising
- ✓ Spend less on recruitment agencies
- ✓ Hire better quality candidates, faster with positive EVP impact
- ✓ Increase team productivity and collaboration
- ✓ Create total talent visibility of your workforce skills

All of this while providing a positive mobile first experience to both candidates and your hiring team.

Can it be real?

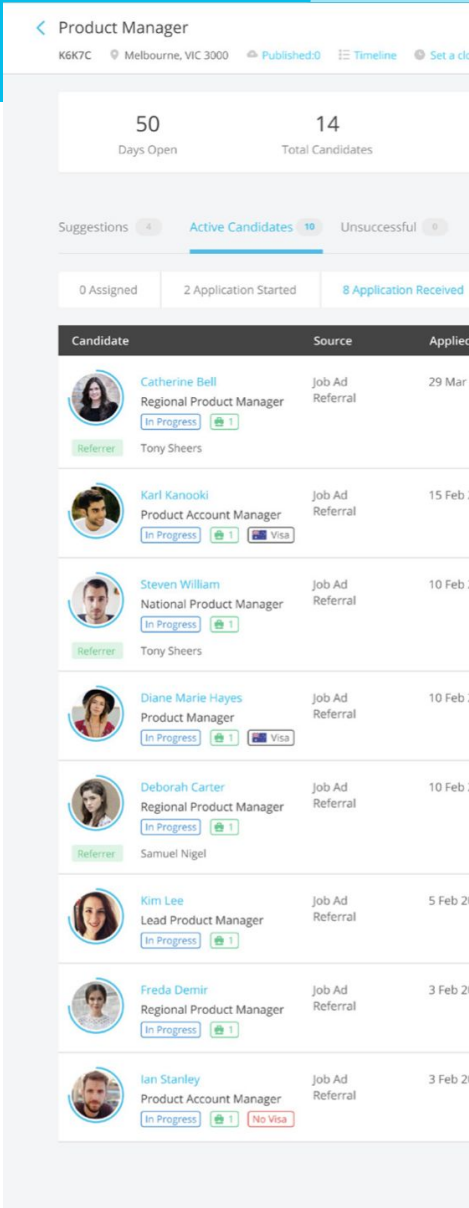

LiveHire's talent acquisition, mobility & engagement software provides a **deeply integrated experience layer for SAP SuccessFactors** that creates a world-class candidate & recruiter experience that is intuitive and easy to use while allowing your organisation to:

- ✓ Build a more productive and high-functioning recruitment team
- ✓ Protect your brand's reputation by reducing candidate rejection
- ✓ Create genuine and authentic relationships via native 2-way SMS messaging
- ✓ Reach hiring targets while reducing spend using A.I. matching & live Talent Pools
- ✓ Hire people engaged with your brand via branded Talent Communities
- ✓ Map total talent skills & competencies – permanent, contractor, alumni, external.
- ✓ All while building a more diverse workforce

Our results*

- 62%** faster time-to-hire than the industry average
- 59%** reduction in cost-to-hire
- 17 minute** median candidate response time
