PAYMENTS. DELIVERED.

# Simplify all your online payments with a single Netcash account

Tired of managing multiple service providers to accept online payments?

For over 22 years, Netcash, a proudly South African company, has been a leading provider of secure and efficient online payment solutions. We understand the challenges businesses face in managing their cash flow, and that's why we offer a comprehensive suite of services designed to streamline and simplify your payment processes. With a single, secure online account, Netcash empowers you to manage all your business payment needs. We are passionate about providing South African businesses with the tools they need to succeed, and our commitment to quality service and innovation is reflected in our industry-leading solutions.

## Our Mission

### Our Clients:

To build client-centric partnerships based on unrivaled service that exceeds expectations.

### Our People:

To create an environment and culture where our colleagues feel empowered to contribute and grow as part of a team striving for excellence.

### Our Technology:

To provide multiple innovative payment solutions on an integrated online platform.

## Our Values

### Customers first

Clients are at the heart of everything we do. We don't exist without them.

### Accountable

We act with integrity and honesty and trust each other to do the right thing.

### Innovate

We are continually evolving to deliver innovative services that our clients need to succeed.

### Make a Difference

We are committed to making a positive difference by supporting start-up businesses that will shape our countries future.

## Netcash Ethics Statement

This Ethics Statement is intended for all our internal and external stakeholders, whether clients, business partners, suppliers, regulators, or colleagues of Netcash.

As a market leading South African Third-Party Payment Provider and System Operator, good Corporate Governance is not negotiable, and we hereby share with you, our commitment to always operate our business ethically and fairly.

To ensure that we cultivate a culture of integrity and act accordingly, we have aligned our corporate culture to the United Nations Global Compact 10 Principles which serve as the cornerstone to our business practices and decision making and underpin our Netcash Values and Mission Statement.

## Why Choose Netcash?

**Optimised Efficiency:** Manage all your payments – from Debit Orders and Salaries to Billing and eCommerce – using a single, user-friendly platform.

**Advanced Security:** Our system meets the highest security standards, ensuring your financial information is always protected. Rest easy knowing your transactions are secured behind multiple firewalls and we are compliant with Payments Association of South Africa (PASA), Financial Sector Conduct Authority (FCA), Security Standards Council (Level 1 PCI) and International Organisation for Standardisation (ISO 27001: 2022).

**Focus on Growth:** Concentrate on growing your business while we take care of your payments. Empower your business to focus on what matters – by providing simple, cost-effective payment solutions.

## Netcash offers a comprehensive suite of services including:

- **Debit Orders:** Streamline recurring payments and automate collections.
- **Salary & Creditor Payments:** Pay employees and suppliers efficiently.
- **Billing & Payment Requests:** Send invoices and collect payments with ease.
- **Scan to Pay:** Offer a contactless QR code payment option.
- **Retail Payments:** Accept secure in-store bar code payments.
- **Ecommerce Solutions:** Power your online store with a secure Payment Gateway.

# The simplest way to get paid and make payments

Netcash offers you one online account for all your business payment needs

## Why Choose Netcash

### Debit Orders

Simple and efficient ways to collect recurring payments from your customers.

### DebiCheck

Preferential Debit Orders that are presented with priority and allow tracking of bank accounts over a number of days.

### Salary Payments

Pay your employees online or via integrated payroll software.

### Creditor Payments

Process Creditor Payments safely and efficiently. Capture recurring and once-off Creditor Payments online.

### Business Funding

Business Funding is available to South African businesses. Approved payouts will be credited to your Netcash account.

### Subscription Billing

Give your customers the ability to subscribe to purchases of goods and services with an agreed payment frequency, duration and amount.

### Split Payments

Allow payments to be split immediately to third parties making referral, membership, reseller, commission and other payment arrangements easy to manage.

### Netcash Shop

Build your eCommerce Shop in minutes with an integrated logistics partner and our eCommerce Gateway solution.

### Risk Reports

Manage your business risk with our extensive risk reporting services.

### Billing

Get paid faster, improve cash flow and reduce admin. Issue an invoice to your clients for easy settlement with numerous payment options.

### Retail Payments

Allow your customers to make payment at any participating retail outlet using a unique barcode.

### eCommerce Gateway

Offer multiple online payment options on your eCommerce website. Our Gateway solution is already integrated with various free shopping cart plugins.

### Payment Request

Easily request payment from your customers via our secure link sent in an SMS, email or WhatsApp.

### Scan to Pay

Accept hassle-free contactless payments with the scan of a single QR code.
