Sage Accounting Software

netcash®
PAYMENTS. DELIVERED.

Gain more control over your cash flow with a Netcash account

Opening a Netcash account is a simple and hassle-free experience. You can rest assured that you are making the best choice for your business.

- Get up and running in a matter of hours.
- A user-friendly system, so no on-site training required.
- Access your online account any time and anywhere.
- No software or upgrade charges, ever.
- You are not tied into fixed or long-term agreements.
- Your Relationship Manager will assist you every step of the way.

A reliable and hassle-free way to make supplier payments.

Netcash offers you one solution for all your business payment needs

Pay your suppliers confidently, on time every time.

- Avoid unnecessary last-minute rejects when processing payments by using bank account validation.
- Seamless file uploads to Netcash means no more emailing payment files. Email is often unsafe, unreliable and exposed on the computer desktop.
- Security is enhanced as payment batches can be locked when uploading, ensuring that payments can't be edited in your Netcash account.
- Both payments and receipts can be reconciled effortlessly using Bank manager or RecXpress software.
- Automated reconciliation from a single Netcash statement.

Offer more ways to receive payments from your customers
